

## Prime Level 2 AC Charger (19.2kW)

Scan to know more!

The Chargnex Prime is a level 2 AC charger designed for reliable everyday charging across workplaces, MURBs, and hospitality environments, enabling site hosts to offer convenient charging while generating additional revenue.

Powered by Chargnex Core, the solution enables real-time monitoring, remote management, & automated revenue tracking. Open-loop contactless payments with tap-to-charge provide a seamless, app-free experience for drivers.

Prime delivers a smooth and intuitive user experience, while its durable, weather-resistant design ensures consistent performance across varying conditions. Supporting CCS1 and NACS connectors, it offers broad EV compatibility, with OTA updates keeping the system current and easy to manage.

## General Specifications

Colours:

Input AC Voltage:

208/240V L1, L2, single-phase

Output Power:

19.2 kW

Output Current:

Up to 80A

Connectors:

Type 1 (J1772)

Communication:

Ethernet, Wi-Fi, 4G, Bluetooth

Protocol:

OCPP 1.6J

Display:

10" HD touchscreen

Enclosure:

High-quality UV-stabilized ABS, IP65 / IK08

Operating Temperature Range:

-30°C to +50°C

Installation:

Wall-mounted or pedestal-mounted

Payments Scheme:

EMV contactless, Discover, JCB, Interac, Apple Pay,  
Google Pay, Diners Club, Union Pay

Payment Reader:

Contactless ISO14443 A & B, MIFARE family, Sony Felica

Connectivity:

4G, Wifi, Ethernet

Camera:

12 MP, wide NOIR camera with HDR and autofocus

Audio:

2 x 2W Speaker

Variant:

Wall Mounted or Pedestal
